WINNIE STEWART COMPANY

Of The Hesson Lyceum Bureau Was a Great Success

The people of this city were treated to a delightful entertainment at the opera house Tuesday night by the Winnie Stewart Co. with the Hesson Lyceum Bureau. The audience enjoyed the Music both instrumental and vocal and the readings by Miss Stewart as was evidenced by the prolonged applause. This company is one of the best that the music lovers of this city have had the pleasure of listening to for some time. Manager John Long certainly is to be commended for securing such creditable talent as the Winnie Stewart Company and Earlinton people will be glad to have another opportunity of hearing them.

BIRTHDAY PARTY

Miss Margaret Helen O'Brien entertained quite a number of her little friends last Saturday afternoon, it being her sixth birthday. After several hours of fun and amusement, the little Hostess led the possession to the dining room which was beautifully decorated with flowers and colored tapers. The birthday cake with six lighted pink candles in tiny pink rose holders, graced the center of the table. They were then served with all the good things that the little ones like best, banana sherbet, cakes, stuffed dates, nuts and candies. The little hostess then presented each guest with her birthmonth flower, after which they departed with loud exclamations of the good time they had, and wishes for many more birthdays.

A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

If cross, feverish, sick, bilious give fruit laxative at once

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste and it thoroughly cleanses the tender little stomach, liver and bowels without griping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, Mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile and undigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach ache, diarrhoea indigestion, colic—remember, a good "inside cleansing" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50 cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine, made by "California Fig Syrup Company."

Auction Whist Club

Mrs. Gilbert King was the hostess of the Auction Whist Club on last Friday afternoon. Mrs. Johnson's score was not only the highest score made that afternoon, but the highest made in the Club this season. Medames Kline, Johnson, Ross and King led in the total score. A dainty salad course was served during the social hour.

Many People Don't Know

A sluggish liver can cause a person an awful lot of misery. Spells of dizziness, headaches, constipation and biliousness are sure signs that your liver needs help. Take Dr. King's New Life Pills and see how they help tone up the whole system. Fine for the stomach too. Aids digestion. Purifies the blood and clears the complexion. Only 25c at your Druggist.

PHIL BROWN FOR DELEGATE AT LARGE

Negro Editor Certain to Go to the National Convention

Phil H. Brown, editor of the Saturday News, Hopkinsville, and one of the most competent political workers in the Kentucky political ranks, is a candidate for and will doubtless be selected as the negro delegate-at-large to the Republican National Convention at Chicago, June 7th. Hopkins county republicans, as well as the leaders in the party throughout this part of the State, are for Brown, whose statewide list of endorsements is so strong as to bear the mark of unanimity among the party leaders in Kentucky. No better selection could be made.

STOMACH ACTS FINE! NO INDIGESTION, GAS, HEARTBURN, ACIDITY

"Pape's Diapepsin" fixes sick sick, sour, upset stomachs in five minutes

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain, unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-case from any drug store and then if anyone should eat something which does not agree with them, if what they eat lays like lead, ferments and sour and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. It promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.

Surprise Party Given
in Honor of Miss Lillian Hill's Birthday

A merry crowd of youngsters gathered at the home of Mr. and Mrs. Geo. Hill, on South railroad St., in honor of their daughter Lillian's Sixteenth birthday.

The young people gathered at the home of Miss Anna Lee Bran-
non, and all came down from there in order to surprise the young lady, who all unconscious of the preparations that had been made, was lost in a peaceful dream when they arrived.

After much laughter and great merriment delicious refreshments were served, the color scheme of pink and white being carried out in the ices and cakes.

Those present were: Misses Katie O'Brien, Anna Lee Bran-
non, Virginia and Esther Carnahan, Nellie Blair, Anna, Margaret and Lillian Hill, and Julia and Rose Manns, of Evansville.

Messrs Sam Grace, Robert and Troxwell McGraw and Carter Wallace, of Olay, Ky., Arthur Holeman and Murt McGregor, of Evansville, Clarence Yarbough, Paul Braun and Clay Polly, of Madisonville.

At a late hour the guests all returned home reporting a most delightful time.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies and by constantly failing to cure, with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Pall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucus surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

QUIETUS OF EFFORTS TO SELL LIQUORS

Pembroke Dealers Are Given Severe Blow by Assistant Attorney General

Hopkinsville, Ky., Feb. 6.—A ruling given by D. O. Myatt, assistant attorney general of Kentucky, if a correct view or the prohibition law in this State, puts a quietus on the effort of two firms to secure license to sell liquor at Pembroke, which has voted dry at two special elections held in that territory. The two firms have already filed notice that they would apply to the Pembroke town trustees for license, and the matter is to come up for settlement next week.

Mr. Myatt's letter, which succinctly sets forth the entire case, is:

Dear Sir: I have your letter in which you say that on April 14, 1914, an election was called by the "wets" in the town of Pembroke, then "dry" by a former election, and the result was a "dry" majority. That on September 21, 1914, an election was held in the county of Christian, in which Pembroke is located, and resulted in a "wet" majority. On this state of fact you desire an opinion as to whether the result of the election in Christian county would authorize the sale of liquor in Pembroke.

I beg to advise that it is my understanding of the law that the result of the election for the county as a whole will not have the effect to authorize the sale of liquor in some district of the county that has previously voted "dry" under the local option law, and therefore it would not be lawful to license the sale of liquor in the town of Pembroke.

Yours truly,
D. O. MYATT,
Assistant Attorney General.

OUCH! RUB BACKACHE, STIFFNESS, LUMBAGO

Rub Pain from back with small trial bottle of old "St. Jacob's Oil."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing penetrating "St. Jacob's Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin.

Limber up! Don't suffer! Get a small trial bottle of old, honest "St. Jacob's Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 50 years.

Kentucky and New Counties

The Kentucky senate, by a vote of seventeen to sixteen, tabled a bill to create a new county to be named in honor of Gov. Stanley. The close friends of the governor have been ardently pressing the bill, though Governor Stanley himself is said to be neutral.

The practice in that state of building a monument to the man who occupies the gubernatorial chair by creating a county and giving it his name became, sometime since, a farce, and it is to be hoped that the friends of the present governor will let the matter rest as it is.

Tennessee, which has ninety-six counties, would be better off with fewer—and no new county has been created in this state for many years. Kentucky, with a smaller area, has 120 counties and is constantly trying to make still more.

For a number of years past, attempts—some successful, others unsuccessful—have been made to create counties in honor of governors. When J. C. W. Beckham was governor, several bills were introduced to create Beckham county, and finally one of them was passed, the boundaries to be defined in the bill. But when the surveyors went to run the lines, they found a marvelous comedy of errors. According to the bill creating it, Beckham county, Kentucky, crossed the Ohio river and ran to a point several miles into the State of Ohio. It cut one Kentucky county in two, so that the people living in one end of it would have to cross another county to get to their own courthouse. It otherwise mutilated the map of two states and infringed the right of the United States to the waters of navigable streams. The courts held, of course, that the law was fatally defective and there is no Beckham county.

But that did not deter other legislatures from creating other counties in honor of other governors. Two or three years ago they made a new one and named it McCreary, in honor of James B. McCreary, then governor. If the thing keeps up, the time is not far distant when the average Kentucky county will not be large enough to contain two voting precincts.—The Tennessean.
